**the aluminum awning  
with the exclusive  
finger-tip control**

For a new concept in modern living, enjoy the outdoors all year round. Reap the benefits of the sun when you want it... shade when you need it. Add new living areas to your home, while enjoying family privacy.

**FOR YEAR-ROUND PROTECTION...** Protect your family's health. Awnair Doorhoods and Patios eliminate safety hazards of icy and wet doorsteps and landings.

Furnishings and draperies retain their color longer when not exposed to harsh sunlight.

**FOR MORE ECONOMY AND VALUE . . .** Awnair saves money on air conditioning in the summer by shading glass areas and eliminating hot air pockets. Awnair cuts your heating costs in the winter by keeping out icy winds and drafts.

**W**ith the addition of Awnair, your home takes on new beauty . . . becomes the talk of the neighborhood. The charm of these graceful, practical aluminum awnings is permanent — a lifetime asset to your home.

Don't settle for less than **AWN AIR** quality. It costs no more . . . and your family and home deserve the best!

For **COMFORT, CONVENIENCE, PROTECTION, BEAUTY** and **ECONOMY** . . . there's no awning that matches **AWN AIR!**

*The only awning displayed on the  
Model Homes in Atlantic City.  
Graphic demonstration of Awnair  
beauty and durability in strong sea air,  
wind, sun, snow and rain.*
